Postdoctoral Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The Citrus Health Network Psychology Postdoctoral Residency Program is accredited by the Commission on Accreditation of the American Psychological Association (APA) and is a member of the Association of Psychology Postdoctoral and Internship Centers (APPIC). Treatment experiences are available in a broad array of programs: Children's Crisis Stabilization Unit (CCSU); Adult Crisis Stabilization Unit (ACSU); Foster Care Programs; Outpatient Psychotherapy; Behavioral Medicine; Statewide Inpatient Psychiatric Program (SIPP), Early Childhood Development (ECD). There is also an substance use disorder experience integrated into the behavioral medicine and outpatient psychotherapy placement experiences.

Training is in the area of Clinical Psychology with the goal of preparing candidates for licensure and subsequent Board Certification. This program offers: A rich program of didactic seminars, colloquia & supervision with a large faculty body; Emphasis in the integration of science and practice with sensitivity to cultural diversity; and individual differences; A multi-ethnic, largely Hispanic population; Opportunity for program development, training and expansion; Opportunity to gain experience in supervising others; Opportunity to conduct research. Residents who complete the program successfully earn a certificate in Clinical Psychology.

Program Aims: 1) To increase and refine resident's ability to integrate clinical theory and practice in the application of knowledge, assessment, and clinical skills in the practice of psychology. 2) To use critical thinking to identify and respond to diversity. 3) To heighten the resident's sense of professionalism.

Competencies: Integration of Science and Practice; Individual and Cultural Diversity; Ethical and Legal Standards and Policy; Education and Systems.

Application Checklist: Cover Letter; Completed Post Doctoral Residency Application Form; Letter of Interest for Specific Program(s) – Top 3 choices in order of preference; 2 Letters of Recommendation addressed to Training Director and sent directly from a Professional Source; Curriculum Vitae; Letter from an APA Accredited Doctoral Program stating that all degree requirements will be completed by August 1st

Describe any other required minimum criteria used to screen applicants:
